

FOR IMMEDIATE RELEASE:

**AUTHOR DANIEL CAPPELLO PUBLISHES STORY COLLECTION OF DIVERSE
FLASH FICTION**

Now Available for Download

Philadelphia, Pennsylvania - December 7, 2019 - Author Daniel A. Cappello has released a highly anticipated e-book short story collection, available to download for free on Smashwords.

Stories of Diverse Selection will send the readers through a world of exquisite propriety. Three flash fiction stories built in a collection that will have you begging for more. Action, fantasy and romance peek through the looking glass as you dive into another plane of existence.

In the kingdom of Terra, travel along-side Persius in this action/fantasy. "The True King" brings forth a devastated land that is overrun by a ferocious beast. Persius must overcome his cowardice ways in order to save the kingdom from demolition.

"The Visit" sends you into the dream realm of reliving an unforgettable past. Olivia must face a fear that has been haunting her subconscious longer than she anticipated. She must come to the conclusion of what is real.

Casey, a man out looking for true love, after failing so many times before. A night out with some friends on New Years' Eve may do some good after all. That was when he met the woman of his dreams, or what he thought. "Sweet Sweet Revenge" brings thriller and romance in one. Revenge you say.

Daniel A. Cappello is a student at Full Sail University. He is pursuing a Bachelor of Fine Arts in Creative Writing. For several years, Daniel has dedicated his time to attend the Game Developer conference in Philadelphia, PA.
